Course Goals:

Strong, knowledge-based preparation for SAT & ACT Exams.

Schedule:

Tuesdays, December 8, 2026, through June 1, 2027, 7:15 to 9:15 p.m.
(except for FCPS breaks as announced)

Target Test Dates:

SAT Exam: May & June 2027
ACT Exam: April & June or June & July 2027

Practice Testing:

One diagnostic SAT and ACT exam and at least two additional full practice exams (tests published by the College Board and ACT organization). Above schedule may change to accommodate testing.

Practice SAT and ACT Exams are scheduled on Saturday mornings several months apart. Dates and times are clearly noted on your Syllabus. These exams replicate the actual College Board or ACT test setting, are proctored by PT staff, and attendance is mandatory. Scheduling "make-up" practice exams is difficult and incurs additional fees for rental space, proctors and scoring. All students with unexcused absences from practice exams will be charged a \$50.00 administrative fee for a make-up exam sitting. Students must take their practice exams under our supervision to ensure a clean score; exceptions to this policy will be evaluated only on an emergency, case-by-case basis. Unexcused absences include high school/club sports practices, games or tournaments; family vacations; part-time job shifts; babysitting, job training, etc. Excused absences will require official documentation such as a doctor's note. Please review your syllabus carefully and plan your family events and travel accordingly.

Materials:

Professional Tutoring's Preparation Workbook, Professional Tutoring's SAT/ACT binder, grammar workbook, the ACT's *The Official ACT Prep Guide*, Professional Tutoring backpack.

Parent Responsibilities:

This course is based on the students improving their core knowledge of critical reading, vocabulary, algebra, geometry, essay writing, editing and grammar and the type of questions asked on the SAT and ACT exams. It is very important that each student study diligently – approximately one to two hours of homework and two hours of vocabulary review and practice each week. Parents may help by quizzing their children on vocabulary and using the newly acquired words at home.

The Professional Tutoring programs are designed to support students in their goals through academic tutoring, test preparation and/or coaching. Mature behavior is expected from students/families/representatives at all times. If the undersigned student's/family's/representative's behavior is incompatible with the interest, harmony, comfort or welfare of the Professional Tutoring's programs, the undersigned student may be suspended and/or

dismissed from Professional Tutoring programs at the sole discretion of Professional Tutoring. In such a case, the full contracted tuition and fees will be due to Professional Tutoring as per this Agreement. No refunds will be provided.

Make-ups:

Professional Tutoring accommodates make-up sessions for individual students in extenuating circumstances (long-term illnesses/emergencies which result in missing three or more sequential classes). Make-ups are not provided for discretionary absences including extra-curricular activities, sports, and family obligations. Check website or email for weather-related changes. For make-up testing, please refer to the policy above listed under “Practice Testing.”

Registration for the class commits the student and family to the full six-month course fees.

Professional Tutoring accepts payment by cash, check, bank transfer or credit card. All credit card payments will be charged a 3.6% service fee.

The total tuition payment for the student is due and owed at the time of registration, to reserve his or her spot in a class, but as a courtesy we allow our Clients to pay the remaining tuition amounts owed (after payment of the Registration Fee) in six monthly installments from December to May. This payment is due on the first of each month. Payments received after the 7th of the month will be assessed a \$25 late fee. However, if Professional Tutoring does not receive any tuition installment payment within 30 days of its due date, then all of the remaining tuition installment payments shall immediately become due and payable—and thereafter the Client will not be allowed to continue to pay tuition in installments. In addition, the Client will be responsible for all reasonable attorney and administrative fees incurred in the collections process, in addition to all payments due, and interest for late tuition payments will accrue at 1.5% per month (18% annually) from the due date of the payment. Also, all returned or dishonored checks and credit/debit card charges shall incur an administrative fee

of \$35. If there are mitigating circumstances affecting the tuition payments, such as sickness or job loss, please be assured that Professional Tutoring, LLC will consider such extenuating circumstances.

Credit Card Guarantee and Payment Method: Professional Tutoring requires that a current, valid credit card be on file to guarantee payment. To avoid late payment and fees, if payment is not received by 7th of the month, your credit card will be charged the monthly payment plus a 3.6% service fee. Professional Tutoring will only charge this card, without explicit authorization, in the case of late payment or nonpayment.
